THOUGHTS SUGGESTED BY DEWEY'S BRILLIANT VICTORY.

The naval battle at Manila was a most complete and brilliant victory. Detailed reports show that our American fleet of six vessels, under the command of Commodore Dewey, met and completely destroyed the Spanish fleet of eleven warships.

The victory is all the more remarkable when we remember that the engagement took place right under the guns of the forts of Manila. It is true that our war vessels were superior to the Spanish war vessels, but they more than doubled ours in number; and, besides, there were some new and powerful guns on the land forts that were pouring shot and shell at our fleets during the whole engagement. It is still more remarkable that not a single American vessel was killed and only one American vessel was damaged.

But let the patriotic voters remember that the gold and monopoly bond syndicate enemy will be able to buy false leaders in all three of these patriotic parties, who, while claiming to oppose the enemy will counsel division in order that the enemy may win. Here lies the danger. Let the people be their guards. Eternal vigilance is the price of liberty.

A GREAT BATTLE IN CONGRESS BETWEEN THE GOLD AND THE PEOPLE.

There is now being waged in Congress a war between the people and the Shylocks which is as fierce and as pregnant with results as any naval battle that we have ever fought or will fight. The gold trust, the bond sharks, and the banking ring are trying to force through Congress another gigantic bond scheme to mortgage our people and future generations, for over five hundred million dollars. Who is opposing this conspiracy? It is being opposed by every Populist, by every silver Republican, and by every Bryan Democrat. They are co-operating to defeat the enemy and to protect the American welfare.

Is it right for these different parties to co-operate in Congress to fight this most deadly and infamous enemy? If so, then it is not right for the people at home to co-operate to elect such men to Congress in order that they may continue to stand on guard and fight the enemies of the American people? If the Populists, silver Republicans, and silver Democrats in the Senate were to divide and act separately, the bond conspiracy would have a walkover. If they were to do so they would deserve the condemnation of every honest man in America. Now if the people at home who are opposed to bonds divide their vote, while those who favor bonds under the leadership of Cleveland and McKinley combine, then the bond conspiracy will have a majority in Congress.

If the Populist voters, the silver Republican voters and the silver Democrat voters who are opposed to bonds will co-operate and send men to Congress who represent their views then the people will have a clear majority in both Houses of Congress, and, besides, will elect a President in 1900. Shall we co-operate and defeat the enemies of mankind or shall we fight each other while the enemy captures the government and robs every industry in the nation. This is a question for the patriotic voters of America to decide.

But let the patriotic voters remember that the gold and monopoly bond syndicate enemy will be able to buy false leaders in all three of these patriotic parties, who, while claiming to oppose the enemy will counsel division in order that the enemy may win. Here lies the danger. Let the people be their guards. Eternal vigilance is the price of liberty.

FUSION VERSUS CO-OPERATION.

If the gold Democrats and the silver Democrats will fuse and then the Populists and gold Republicans will fuse, there will be nobody left to fight the gold and monopoly enemy. Such a course of campaign will necessarily put the monopoly question and the gold question in the background, and make a fusion fight on both sides for spoils. This is why the Charlotte Observer favors such a fusion.

On the other hand, suppose that the Populists and Bryan Democrats should co-operate and thus force the gold Democrats and the gold Republicans together, where they belong, then the gold and monopoly question would be the supreme issue between the contending forces. In such a clear-cut fight, with the people on one side and the gold and monopoly enemy on the other, the people would be sure to win. This is why the gold and monopoly Democrats and the gold and monopoly Republicans are opposed to such a fight. This is perfectly clear. But why some Populists should also oppose such a fight is difficult indeed to understand. Let the masses of the people who want good government and better times be on their guard.

Chairman Fountain is endeavoring to secure reduced railroad rates for delegates to the State Convention. Up to the time of going to press we are unable to announce as a certainty that the railroads have granted the request. Be sure to enquire of your ticket agent when purchasing ticket if a reduced rate has been granted, as instructions to that effect may be issued between now and date of convention.

WAR NOTES.

Turkey has notified United States Minister Angell, at Constantinople, that she will maintain neutrality.

The Eastern Army is gradually being concentrated at Tampa, Cuba, for the forward movement upon Cuba from the latter point at some near period.

The North Carolina volunteers are among the earliest mustered into the government service. The men make a good appearance. This is commented on by the army officers. Relatively, there are few rejections.

The Postmaster General has issued an order to establish postal service in the first Cuban port occupied by the United States, and appointed John B. Brewer, of Pittsburg, Pa., special agent of the department to organize the work.

The intimation that Spanish spies have been detected prowling around many places of importance in this country should put every community on its guard against suspicious characters. If there is good ground for suspicion against a man, they should be arrested and searched. If not, they should be sent away from the place with a warning. No chances should be taken with this class of characters.—Philadelphia Ledger.

For Early Ending of War.

LONDON, May 5.—The Standard says there is a growing impression in official quarters that the Spanish Queen and Government favor some arrangement to lead to an early ending of the war.

Protection for Beauport.

WASHINGTON, May 3.—Special-Congressman Skinner called on Secretary Alger to-day and urged upon him the necessity for proper protection for Beauport harbor. He promised that the matter should receive prompt attention.

Dewey Thanked by Congress.

WASHINGTON, May 9.—Congress this afternoon passed the resolution of thanks to Dewey, officers and crew, and also increased the number of Rear Admirals to seven.

Medals to Men at Manila.

WASHINGTON, May 9.—Senator Lodge presented to the Senate and passed a resolution authorizing the President to present a sword to Dewey, medal to officers and men under him at Manila. Appropriates \$20,000 to defray the expenses.

Fight to Finish.

MADRID, May 9.—Spanish troops are being rushed to the defence of Manila. Orders are issued to the Governor General to fight till death resisting Americans.

Refuses Call to Spain.

MONTREAL, May 9.—The Dominion Coal Company has refused to sell to Spain ten thousand tons of coal on delivery at Sydney, Cape Breton. This means that Spain intends to send a fleet to North Atlantic waters.

Vermont's Generous Actor.

MONTPELIER, Vt., May 6.—The Legislature to-day voted \$7 per month for each soldier, sailor, and marine in service from this State. The Governor was directed to furnish a three battalions of volunteers over 1,000 strong, and the Treasurer was ordered to borrow \$200,000 to cover war expenses.

Without Ammunition.

The Paris correspondent of the Daily Mail says: "I hear on indisputable authority that five of the Spanish warships, including the battleship Pelayo and the fine cruiser Alfonso XIII, have not yet been supplied with ammunition. This was the cause of the delay in the sailing of the Cape Verde fleet, and will probably compel it to return to Cadiz."

Georgia's Mobilization.

ATLANTA, Ga., May 4.—Georgia's volunteers will be mobilized at Griffin, and the camp will be opened to-morrow. Colonel Oscar J. Brown, commanding the Second Regiment, Georgia Volunteers, is appointed to command the camp.

A general order for the movement of troops will be issued Friday, and it will probably be Monday before the first company arrives at camp.

Large Number Rejected.

COLUMBIA, S. C., May 6.—The sixteen companies of infantry and battery of artillery, called out as South Carolina's quota, are in camp here and are being examined by the medical board. Every company will be forced to recruit. As the result of the first two days' work 310 men were accepted and 170 rejected. The board was telegraphed that the strictest requirement for the United States army must be adhered to, or it would be held responsible for over-sights. The chief weakness is in eyesight.

PEOPLE WANT CO-OPERATION

OF THE REFORM AND SILVER FORCES
—AND ENDORSE THE NATIONAL
CHAIRMAN'S PLAN.

A Little Inside History of Cumberland County Pop-Rep-Coalition—Office the aim and aspiration of these would sell the People to Obtain Office. For THE CAUCASIAN.

I have travelled over Northern and Central Louisiana and made a few points in the State of the Lone Star, and have heard nothing but a general approval and endorsement of the co-operative plan as outlined by Senators Butler, Jones and ex-Congressman Towne in the coming election.

The free silver forces should unite as one man regardless of party to secure the election of free silver Congressmen and State Legislatures. The co-operation should extend all along the line from township convention up.

The money, trust and combinations of every character has fled and taken shelter under the Republican party. I notice a communication in the Progressive Farmer from Henry E. King, of Cumberland county, who objects to the co-operation of the silver forces, and threatens a bolt and a dash for the Republican party "for protection." The presumption is that Mr. King fears rotation in office of himself and his Republican associates which he belated the Populist county convention.

The Populist county convention was held at one and went soul and body into the Republican party, assisting and aiding in the election of two Republicans to the legislature, and making it possible for the election of a Republican Populist, to the United States Senate.

Let the people notice who those bolters were, and what their objects were. The bolters in the legislature sold out under the promise of office. The bolt was for selfishness—for filch.

Mr. King's chairman of the county Executive Committee of Cumberland county, C. C. McLeallen, who was a candidate before the Populist county convention for the nomination of State Senator and being defeated, organized a new party, the Populist county convention, which consisted of one-third straight Republicans and the other two-thirds semi-Populist Republicans; his next jump was to county commissioners and against his Waterloo.

Mr. McLeallen went to Raleigh to lobby for the re-election of Pritchard and now he is to receive for his rewards Deputy Collectors in the Revenue Department, and yet he is to leave the party and office better than the principles we profess to believe in; and the result would be to scatter our forces and disintegrate our party. We could not force the bolters in the awkward attitude in which we had placed ourselves or our political enemies in the hands of the bolters to make the Democrats a proposition to co-operate in 1896 and it was a telling card in the campaign and held in our party all the Populists of Democratic leaning for they were disgusted with the Democrats for refusing. The reasons for making a proposition to them are even stronger now than in 1896, and the proposition suggested in Senator Butler's letter is much more extensive and far-reaching than the one of 1896; but it is one they dare not refuse, but one which judging from the dissensions and demoralized condition of the Democratic party is sure to be refused.

MEMORIAL SERVICES.

Col. Burghyn Orator of the Day. The beautiful custom of honoring our dead heroes largely attended.

Confederate Memorial services were held May 10th in Raleigh. A large number of people from the country and from a distance came to the city and joined in the exercises. Col. Burghyn, of Henderson, was the orator of the day. He spoke eloquently on the life and character of Gen. Clingman. After the exercises at the hall the procession was then formed which went to the cemetery. Chief Marshal Bradley and his associates headed the line of march. Then followed the President, Secretary and ladies of the Memorial Association, the orator of the day and the chaplain in carriages; the boys' brigade from the Tabernacle church, uniformed, in charge of Capt. J. J. Bernard; a chapter of girls dressed in white, with flowers; L. O. Branch Camp U. C. V. and other Confederate veterans, the A. and M. College cadets and drum corps; Rescue, Capital and H. and L. companies under the command of the Chief of the Department: Governor Russell, Mayor Russ and other State and county officials.

At the City Cemetery the A. and M. College cadets halted and fired a salute in honor of the memory of the Confederate dead. The beautiful custom of decorating the graves of our beloved and brave dead, who sacrificed their lives for the country, was then carried out by the living. The cemetery was strewn with lovely flowers. At the conclusion of the exercises the A. and M. Cadets fired a salute three times and the exercises were brought to a close.

"A Good Days Work." "My brother was in such a condition that he could not walk but a short distance without resting. He had no strength and his blood was very poor. He has been taking Hood's Sarsaparilla and can now do a good day's work on the farm. We feel we owe his health to this medicine." Miss Eva Moss, Whitehall, Va.

The sixth Democratic Congressional Convention has been called to meet at Wilmington on July 13th. A meeting of the district executive committee held at Rockingham last Thursday so decided. There was some objection to the committee to going to Wilmington, the extreme end of the district, but the members from the lower end of the district had votes and proxies enough to carry their point.

Prof. Edwin A. Alderman passed through Greensboro this morning returning to the University after his trip across the country. Alderman says his trip across the country was an exciting one, not that anything happened, but every one was on the lookout, expecting to be intercepted by a Spanish gunboat. In his travels and conversation in England and on the Continent, he found the English almost unanimously in favor of the United States, while on the Continent Spain is in a fever.

A telegram received here last evening from Mr. George Rountree, now in Richmond, Va., says the United States Circuit Court of Appeals has sustained Judge Simonton in the Cape Fear and Yadkin railway case. OLD GLORY. O, Star Spangled Banner! The flag of the free! Invincible ever—our homage to thee; Flout proudly, O Banner—thy glories expand—Abaze on the sea, and aflame on the land.

Fling out to the breeze its Red, White and Blue! The heart of the nation is loyal and true; From storm that may beat, from wrong that may prey, We'll guard and defend and protect it always.

The hero who fought and the heroes who fell, The flag as it floats, of their valor shall tell; And lo! in the sky its bright colors we see—The flag of the Union, the brave and the free.

Thou God of our Fathers! This Banner shall shine! Where victories are won, in battles divine. Flout over above us, in peace and in wars, O, flag of glory, the stripes and the stars! —DAVID JAMES EVANS.
